OUR PIZZA

BEFORE YOU CHOOSE...

If you want the MAIN COURSES on your table to arrive at the same time - everyone needs to order their MAIN COURSE from the same menu, ie Either this pizza menu..... OR .... the main menu.

Dishes on this pizza menu are prepared in our pizza kitchen in the pub - all other dishes are prepared in our main kitchen

If you order food from different kitchens, the food will not arrive at your table at the same time

The difference in the arrival times of the food will depend on the amount of orders which each kitchen has on at the time.

What is Gelato?

It is regarded as premium Italian ice-cream.... but it is different to ice-cream here's why.....

1. Less air = more dense = more intense flavour
2. Fresh every day - it cannot be stored
3. Less fat - made with less butter fat = bigger flavour hit
4. Temperature - served slightly warmer than ice-cream allowing your taste buds to taste more

FRESH gelato is like bread
It is stunning on the day you make it
That is why we make ours FRESH on-site at The Swan at Walton

We sent our Chef, Travis to Gelato University in the beautiful Italian city of Bologna to learn how to make fresh authentic gelato for us at The Swan at Walton
